

OPERATION ENCOMPASS POLICY

We at Worstead preschool are part of operation encompass.

Operation Encompass is a police and education early information safeguarding partnership.

It ensures that there is a simple telephone call or electronic notification to the preschools trained designated safeguarding lead prior to the start of the next school day after an incident of police attended domestic abuse where the child /children related to either of the adult parties involved.

Children are negatively impacted by experiencing domestic abuse and without early intervention and support this negative impact can last through a child's life course. Domestic abuse can impact on social, psychological, physical, emotional and behavioural outcomes with often a negative impact on the child's academic success.

The aim of Operation Encompass is to connect police and schools to secure better outcomes for children.
