Message from Kirsty:

We're so grateful to all the staff for working so hard and organising lots of things that we missed out on last year due to Covid. The Christmas Fayre next month is looking to be a fantastic way to finish the term but we need your help!

If anyone can donate tombola prizes or some time on the day to help out that would be fantastic. Please let us know by e-mail or speak to one of the staff at the gate.

Speaking of donating time, our committee is quite short on members. The preschool is committee run so we need our amazing volunteers to keep us going.

We appreciate that it's difficult to get to meetings, especially if you don't have child care, so we're looking into ideas to make it more accessible and get some more of you on board. We promise we're a friendly bunch!

Message from Karen:

November and December are both busy times of the year for you all and I know you are probably not thinking about the spring term. This is fast approaching and would like for you all to confirm your sessions as soon as possible. The term starts back on 5th January 2022. I have been informed by EYF that the funding forms will be sent out early December but will need to submit an estimate for funded sessions beforehand. Please could you email worsteadpreschool@btconnect.com with session requests.
