June 2025 Newsletter

Message from Clare:

We are now on the last stretch of the academic school year. Staff are busy writing reports for the children who will be going to school and it is important we meet with you all to ensure a smooth transition and answer any questions you may have. Your child's keyworker will be in touch to arrange a meeting.

Sadly, we say goodbye to Melissa and wish her well in her new adventures at Norfolk County Council working as an assessment and placement support assistant.

We have been having a lovely time at forest school and have decided to make our way back to the preschool early. This seems to be working well and the children are less rushed to get back for lunch. Those children who are collected at 12 please pick up from the preschool. We will message to remind everyone. We intend to do lots of outside cooking with the children on the open fire. This is a great opportunity for lots of new learning and tasting.

Disco dough is proving to be a big hit with the children and we have been having lots of fun playing with playdough. It has great benefits to build those muscles in the hands, wrists and arms, helping children to be ready when it comes to mark making and eventually writing.

Fun with Food is another big hit with the children and gives them the chance to explore textures, smells and tastes in lots of different ways, helping them to have a healthy relationship with food.

As I have said before the sensory room is getting lots of use from the children and continues to be a great asset to the pre-school.

We will be holding a sports week instead of a sports day to ensure all children are involved in trying different sports and outdoor events.

Leavers party will be held on Friday 18th of July. We will be holding this in the hall. We will be providing a light party style lunch for 12 o'clock then entertainment from 1-3pm. A reminder will be sent out nearer the time.

Many Thanks everyone

Clare, Bethany, Emma, Sally, Karis, Brooke and Harry

Message from Committee:

Parent/carer's questionnaires have been sent out, so please check your child's bag. Please complete and return to the preschool as soon as possible. This really does provide the preschool with lots of information and requirement from our families.

Again, I we know that we mention it on every newsletter but we are always looking for parents to join the committee. We can't run the preschool without a committee. It's a great way of meeting other parents and gives you the opportunity to be involved in the preschool. Due to children leaving in July, we will be looking new members.

If you have any question, please feel free to email admin@worsteadpreschool.co.uk

Pre-school Committee.

Message from Karen:

Funding forms for the Autumn term, September 25 will be issued soon. Everyone will need to complete. In the meantime, it's important to see if you are eligible for the 2-year-old working parents 30 hours entitlement and 30 hours funding for 3 & 4-year-olds with working parents. Also, please re-new your codes if you are in the "grace" period. I believe that you get a reminder but please log on to your NEO account to check. Any problems, please ping me an email as I feel that after 4 years, I am now an expert!!

Please also sign up to the tax-free childcare as this can save you a considerable amount of money. I am a great believer that if it doesn't belong to the tax man, then don't give it!

I do have some spaces for the summer school holiday. Please email me with your requests.

We are becoming very busy and our spaces are filling up quickly. If you would like to increase your child's sessions for September, please contact asap to avoid disappointment.

If you need any other information, please could you email admin@worsteadpreschool.co.uk with your queries.

Karen
