Introduction

GDPR stands for General Data Protection Regulation and replaces the previous Data Protection Directives that were in place. It was approved by the EU Parliament in 2016 and comes into effect on 25th May 2018. GDPR states that personal data should be 'processed fairly & lawfully' and 'collected for specified, explicit and legitimate purposes' and that individuals' data is not processed without their knowledge and are only processed with their 'explicit' consent. GDPR covers personal data relating to individuals. Worstead Pre-school is committed to protecting the rights and freedoms of individuals with respect to the processing of children's, parents, visitors and staff personal data. The Data Protection Act gives individuals the right to know what information is held about them. It provides a framework to ensure that personal information is handled properly.

We are committed to ensuring that any personal data we hold about you and your child is protected in accordance with data protection laws and is used in line with your expectations.

This privacy notice explains what personal data we collect, why we collect it, how we use it and how we protect it.

What personal data do we collect?

Where applicable we will obtain child protection plans from social care and health care plans from health professionals.

We will also ask for information about who has parental responsibility for your child and any court orders pertaining to your child.

Personal details that we collect about you include:

This information will be collected from you directly in the registration form.

If you apply for up to 30 hours free childcare, we will also collect:

- your national insurance number or unique taxpayer reference (UTR), if you're self-employed. We may also collect information regarding benefits and family credits that you are in receipt of.

- to keep you updated with information about our service

With your consent, we will also record your child's activities for their individual learning record. This may include photographs and videos. You will have the opportunity to withdraw your consent at any time, for images taken, by confirming so in writing.

We have a legal obligation to process safeguarding related data about your child should we have concerns about their welfare. We also have a legal obligation to transfer records and certain information about your child to the school that your child will be attending.
